In re Application of: SCOTT PATRICK HANSON, ET AL.)	
Application No.: 09/678,906)	DECISION ON PETITION
Filed: October 04, 2000)	TO WITHDRAW THE
For: APPARATUS AND METHOD FOR TEMPLATE)	HOLDING OF
INSTANTIATION WITH A CROSS COMPILER)	ABANDONMENT
)	

This is in reply to Petitioner's Petition to Withdraw the Holding of Abandonment filed in the United States Patent and Trademark Office on December 15, 2003. No fee is required.

The petition is **GRANTED**.

A review of the file record reveals that the application was held abandoned for failure to timely file a proper reply to the Office Letter mailed on May 12, 2003 within the Shortened Statutory Period of three months set therein.

Petitioner has submitted a statement from the practitioner stating that the Office Letter was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office Letter was not received. A copy of the docket record where the non-received letter would have been entered had it been received and docketed was also submitted.

Since Petitioner has never received the Office Letter mailed May 12, 2003, the holding of abandonment dated November 19, 2003 is withdrawn. The application will be forwarded to the Supervisory Legal Instruments Examiner with the instructions to remail and redate the Office Letter dated May 12, 2003.
